***Courses Taught***

CSE 693                                 *Advanced Workshop in Secondary Education: Seminar in Educational Technology – Using Web 2.0*

This seminar focuses on opportunities in educational technology specifically related to understanding and using Web 2.0 as pedagogical laboratories in teaching and learning.

AIL 600                                 *Integration of Technology in Education and Training*  
**(One of first 3 courses required in Nurse Educator Ed.D. sequence; a collaborative program between the Colleges of Education and Nursing)**

This class features an examination of advanced applications of current and emerging instructional technological applications in a variety of settings and job environments.

AIL 601                                 *Principles of Instructional Technology*

This course concerns advanced theory and applications of educational technology, including the effects of technology in problem solving and other higher level thinking skills.

AIL 589/689                             *Practicum in Educational Computer Technology*

Students pursue individual research in educational computer technology and are required to implement, analyze, and report findings. For doctoral students, this is their "capstone" course; students work toward an IRB application and dissertation prospectus, among other activities.

- AIL 631 *Administrative Technologies*  
This course introduces students to administrative technologies available for administrators, as well as critical technology issues that leaders must face.
- CAT 531 *Computer Based Instructional Technologies*  
An introductory course for teacher educators in the fundamentals of computer applications for educational use.
- Developed this course for online offering, beginning Summer 2013***  
***Delivered this course for the College of Education International Programs:***  
*Mexico City, February 2003, 2013 and Quito, Ecuador, February 2004*
- CAT 532 *Curriculum and Emerging Instructional Technologies*  
This course features the use of emerging instructional technologies in personal productivity, education, training, and telecommunications.
- CAT 533 *Curriculum Integration of Technology*  
This is the culminating course of the CAT sequence and involves the development of learning activities through technology integration, instructional design, and product validation.
- CAT 534 *Issues and Trends in Educational Technology*  
This course is a study of current issues and trends affecting the use of computers in education and includes an examination of emerging technologies and legal, social, cultural, and ethical issues affecting technology.

## ***PROFESSIONAL PRESENTATIONS***

### **NATIONAL/INTERNATIONAL REFEREED**

#### **2015 – current**

McNeill, L., **Wright, V.**, Rice, M. (2016, June). *Advantages and Barriers to Using Social Media in Online Education*. Presentation accepted to the Distance Learning Administration Conference, Jekyll Island, SC.

Matherson, L, Hammack, R., Wilson, E., & **Wright, V.** (2015, November). *Eyewitness to History: Washington Madison’s Successful Slave Revolt*. Presentation to the National Council for the Social Studies, New Orleans, LA

Wilson, E., **Wright, V.**, Matherson, L., & Hammack, R. (2015, November). “*Big Ideas*” in *Professional Development: A Sit and Stay Model*. Presentation to the National Council for the Social Studies, New Orleans, LA.

Hammack, R., **Wright, V.**, Matherson, L., & Wilson, E. (2015, November). *Successes of BYOD: Personal Accounts from the Social Studies Classroom*. Presentation to the National Council for the Social Studies, New Orleans, LA

#### **2014**

Odom-Bartel, R., & **Wright, V.** (2015, March). *Effectively Incorporate Civic Education in the Online Environment: Findings from a research study*. Paper to Society for Information Technology and Teacher Education (SITE), Las Vegas, NV.

Wilson, E. K., **Wright, V.**, & Hammack, R. (2014, November). *Technology Smackdown: Using Emerging Technology to Create Emerging Citizens*. Poster presented to the National Council for the Social Studies Annual Conference, Boston, MA.

Matherson, L., Wilson, E., Windle, T., & **Wright, V.** (2014, November). *Breaking the Code: Using QR Codes with Disciplinary Literacy*. Poster presented to the National Council for the Social Studies Annual Conference, Boston, MA.

**Wright, V.**, Hayes, A., Inman, C., Matherson, L., Wilson, E., Sears, M. (2014). *Benefits and limitations of BYOD: Views from the field*. Presented to the International Society for Technology in Education (ISTE), Atlanta, GA.

Odom-Bartel, R., & **Wright, V.** (2014, March). *A Look at Civic Education in Online Learning: Research in Progress*. Presentation to the Society for Information Technology and Teacher Education (SITE), Jacksonville, FL.

#### **2013**

Wilson, E., **Wright, V.**, Matherson, L., Hammack, R., & Windle, T. (2013). *Common core: Putting the pieces of the puzzle together*. Presentation to the National Council of the Social Studies (NCSS), St. Louis, MO.

Winter, C., & **Wright, V.** (2013, October). *Online and Face-to-face Activities of Non-native English Speakers*. Presentation to the Association for Educational Communications and Technology (AECT) International conference, Anaheim, CA.

Price, G., **Wright, V.**, & Rice, M. (2013, June). *Impact of Integrated TPACK Development Approach on Preservice Teachers*. Presentation to the International Society for Technology in Education (ISTE), San Antonio, TX.

## 2012

Wilson, E., **Wright, V.**, Matherson, L., & Hammack, R. (2012, November). *Windows through History: Discovering the Past with Web Tools*. Presentation to the National Council of the Social Studies (NCSS), Seattle, WA.

Matherson, L., Hammonds, L., & **Wright, V.** (2012, November). *It's not just professional development window dressing*. Presentation to the National Council of the Social Studies (NCSS), Seattle, WA.

Odom-Bartel, B., & **Wright, V.** (2012, March). *Distance Education and Students' Community Engagement: A Faculty Perspective*. Presentation to the Society for Information Technology & Teacher Education conference, Austin, TX.

## 2011

Wilson, E., **Wright, V.**, Matherson, L., & Hammack, R. (2011, November). *Using Web 2.0 to promote learning in the Social Studies*. Presentation to the National Council for the Social Studies (NCSS), Washington, D.C.

Hooper, L., **Wright, V.**, & Burnham, J. (2011, October). *Acculturating to the role of tenure-track assistant professor a family systems approach to joining the academy*. Presentation to the American Association for Counselor Education and Supervision Annual Conference, Nashville, Tennessee.

Matherson, L., Dixon, C., **Wright, V.**, Wilson, E., & Hammonds, L. (2011, June) *Kudzu: Growing intertwining partnerships to create master technology teachers*. Presentation to the International Society for Technology in Education (ISTE), Philadelphia, PA.

Burnham, J., & **Wright, V.** (2011, June). *Using online digital videos as counseling tools to discuss cyberbullying with youth*. Presentation to the national meeting of the American School Counselor Association (ASCA), Seattle, WA.

Wilson, E., & **Wright, V.** (2011, April). *Teachers and technology: From the university to the social studies classroom*. Presentation to national meeting of the American Educational Research Association (AERA), New Orleans, LA.

Inman, C., & **Wright, V.** (2011, March). *Pre-service teachers: Virtual worlds as a 21<sup>st</sup> century learning tool*. Presentation for international meeting of the Society for Information Technology and Teacher Education (SITE), Nashville, TN.

## 2010

Wilson, E., Matherson, L., **Wright, V.**, & Griggs, B. (2010, November). *Retooling social studies for the 21<sup>st</sup> century with emerging technologies*. Presentation presented for NCSS, Denver, CO.

Burnham, J., **Wright, V.**, & Houser, R. (2010, June). *Using virtual world (Second Life) scenarios to deal with cyberbullying in middle school*. Presentation to the national meeting of the American School Counselor Association (ASCA), Boston, MA.

Hammonds, L., & **Wright, V.** (2010, February). *Promoting technology partnerships to bridge the gap*. Presentation to the Holmes Conference, Charleston, SC.

## 2009

Matherson, L., Inman, C., **Wright, V.**, & Griggs, B. (2009, November). *Finding your voice: Promoting students' democratic decision-making through technology*. Presentation to the national meeting of the National Council of the Social Studies (NCSS), Atlanta, GA.

de Wet, C., Minear, A., & **Wright, V.** (2009, November). *Teaching without a script: Curriculum for creative and differentiated learning*. Presentation to the national meeting of the National Association for Gifted Children (NCGC), St. Louis, Missouri.

de Wet, C., Minear, A., & **Wright, V.** (2009, November). *Teaching without a script: Story of a modern one room schoolhouse*. Presentation to the national meeting of the National Association for Gifted Children (NCGC), St. Louis, Missouri.

Fisher, E., **Wright, V.**, & Dahl, C. (2009, October). *Usability testing: A model for improved online course development?* Presentation to the 15<sup>th</sup> Sloan-C international Conference on E-Learning, Orlando, FL.

**Wright, V.**, Burnham, J., Inman, C., & Ogorchock, H. (2009, July). *Cyberbullying: Using Virtual Scenarios to Educate and Raise Awareness*. Presentation at the national meeting of the National Educational Computing Conference (NECC), Washington, D.C. (paper also received the SIGTE Research Award)

**Wright, V.**, & Marler, C. (2009, July). *Calculating Success through Collaborations: Wikis in High School Math*. Presentation at the national meeting of the National Educational Computing Conference (NECC), Washington, D.C.

**Wright, V.**, Wilson, E., & Dixon, C. (2009, February). *The Master Technology Teacher Program: A Partnership for the Next Generation*. Presentation to the national meeting of the Holmes Partnership, Jacksonville, FL.

## 2008

Wilson, E., **Wright, V.**, Inman, C., & Matherson, L. (2008, November). *The hunt is on: Engaging students in the social studies by geocaching*. Presentation at the Annual Conference of the National Council of the Social Studies (NCSS), Houston, TX.

Benson, A., Rice, M., **Wright, V.**, & Lewis, T. (2008, November). *Improving performance of IT graduates: A case study of IT program re-design*. Presentation at the national meeting of the Association for Educational Communications and Technology (AECT), Orlando, FL.

**Wright, V.**, & Marler, C. (2008, July). *Calculations to collaborations: Using wikis in high school math*. Presentation at the national meeting of the National Educational Computing Conference (NECC), San Antonio, TX.

Matherson, L., Wilson, E., **Wright, V.**, Mayben, R. (2008, July). *The hunt is on! Using geocaching to learn social studies* Presentation at the national meeting of the National Educational Computing Conference (NECC), San Antonio, TX.
